

# LOUIE'S BLUE MARTINI

When the light is on this is what's going on

## OUR FIRST NEWS LETTER

Lots of things have been going on at Louie's Blue Martini over the past few years and things are more exciting than ever. When I built my bar in the winter of 2004 I never thought it would become the hangout for our neighborhood like it has. Thank you for making it such a great place to party and relax. So Paulette and I decided to put this little news letter together to keep all of you up to date on the events and happenings at the blue martini. I will send this out each month or close to it barring any hangovers. So plan ahead and remember drink responsibly.

Well as many of you know there is not much room left for upgrades, the recent addition of the kegerator, and dance floor took what little space I had left. There is still thoughts of putting in a stripper pole just to see if we can take it up another notch.

February 1st is Brent's Birthday, on that following Friday we will have a gathering to celebrate.

I would like to have a Mardi Gras party on Feb 25th, there will be all the features of old bourbon street, beads, jazz food and of course hurricanes fresh from the blender. As we get closer to the date I will be asking for ideas. One idea I have is to have a small fundraiser / cash donation's to help out the rebuilding of New Orleans and surrounding areas.
