

LOUIE'S BLUE MARTINI

When the light is on this is what's going on

RULES OF THE ROAD

There is a question that comes up all the time "Why would I build a bar and invite the entire neighborhood over to drink, socialize and not ask for a thing" Well here is your answer. I enjoy knowing that my friends have a place to enjoy themselves that is safe and within walking distance home. I have seen too many people ruin their lives getting a DUI. I have a few rules 1)Have a good time 2)Drink responsibility 3)Never drink and drive. If you are not within walking distance and you can not drive, let me know and I will get you a ride or put you up for the night. I enjoy bartending and hope to someday have my own establishment that I can actually make a living at.

PAST PRESENT AND FUTURE

don't forget about the bar cam at <http://www.louiebluemartini.com>

WOW what a turn out for the Mardi Gras Party, I'm sure we broke a few occupancy codes this time. I counted at least 27 people at one time, thanks to all of you for making the party so much fun. There was only one injury and thankfully nothing was broken. Pictures are posted in the bar pic's area of the website. If you have pictures from the Mardi Gras Party and want me to post them to the website please send them to me and I will get them uploaded. Our next big celebration will be on March 17th this will be our annual Saint Patrick's day and the March birthdays (Patty and Allan). Remember If the martini light is on you are welcome to stop by for a drink.

Do you have an event or a birthday that you want me to put on the calendar then drop me an email at Lou@louiebluemartini.com and I will get it in the next news letter
